Golden Cell Clearing© is a method developed by **Katja Schönmann in collaboration with Sabine Sipp**.

To preserve the integrity and original purpose of this work, we have introduced our own protection seal.

This seal stands for:

- ✓ **Freedom to use and share** – the method may be practiced and passed on.
- ✓ **No commercial use** – it may not be sold or offered for commercial purposes.
- ✓ **Respect for the source** – when shared, the creators must always be credited.

The seal makes it visible that Golden Cell Clearing© is shared under these conditions and protects the method from misuse.

It is a symbol of **trust, purity, and responsibility** in working with this energy.
